

Extend your basic life insurance protection

Finding yourself unable to earn an income can have a devastating impact on you and your family. Fortunately, Foresters Lifefirst has riders available to help:

Critical Illness Rider

You can add the optional Critical Illness Rider² which allows you to accelerate a portion of your term insurance amount as a lump sum payment if you are diagnosed with certain illnesses or undergo certain medical procedures.

Disability Income Protection

Our optional disability income protection³ is available in two versions: for accidents only or for both accidents and illness.

Waiver of Premium Rider

The optional Waiver of Premium Rider helps you maintain your valuable life insurance coverage if you are totally disabled and unable to work.

Accidental Death Coverage

Choosing the optional accidental death coverage can provide an additional benefit to help your family when they need it most.

Foresters Lifefirst also offers riders that are automatically included with your basic coverage:

Common Carrier Accidental Death Rider

The Common Carrier Accidental Death Rider provides an additional death benefit if you die of accidental injuries that occur while riding as a fare-paying passenger on a common carrier, such as a bus or train.

Family Health Benefit Rider

The Family Health Benefit Rider pays a benefit for family health expenses that may occur as a result of natural disasters, such as hurricanes, tornadoes and earthquakes.

Level Term Life Insurance

Foresters a flexible foundation

The importance of term life insurance

Financial security for your family is not always easy to achieve. Life can be full of celebrations, positive changes and successes, but it can also include unforeseen challenges. Foresters™ term life insurance can help provide protection along the way and help you prepare for the unexpected.

Start building your financial security plan

Foresters term life insurance, combined with the many available riders, can be an affordable starting point for your financial security plan. You can rely on Foresters term life insurance for the important changes and challenges in your life:

- Starting life with a new partner
- Caring for your family
- Covering short-term debts
- Covering longer-term debts, such as a mortgage
- Protecting income in case of total disability or critical illness

Flexibility to match your changing needs

As your life changes, term life insurance has the flexibility to help you build the financial security you need.

Foresters term life insurance is renewable, so you can extend the length of your coverage. And in many cases, it's convertible, which means you can switch to Foresters permanent life insurance should this option better meet your needs.
