

The Independent Order of Foresters ("Foresters")

Tips for Submitting a Foresters Paper Application for Individual Life Insurance

Foresters Fraternal Difference

- Foresters shares its financial strength with its members by offering them more than just a financial product; eligible members also benefit from member benefits and community involvement opportunities to help them and their families get more out of life. Use the Foresters Benefit of Membership pamphlet to share the Foresters story and make a difference.
- Foresters is a fraternal benefit society and as such, some aspects of our ownership and beneficiary rules are different than other carriers. Be sure to read the rules found in the Toolbox/Underwriting Resources section of Foresters producer website before taking an application for Foresters products.

How to Avoid Delays and Get PAID Fast

- Money orders or cashier's checks are not permitted for the payment of initial premiums.
- Make sure you have the right Application and forms for the state where the application is signed. Make sure you verify product rules and state availability for the applicable state.
- Available questionnaires are listed in the Producer Report. Complete the applicable questionnaire at the time of application for each "Yes" answer in the Lifestyle and Medical Questions section or advise the proposed insured that Foresters may contact them for further details. Where there's no corresponding questionnaire for a "Yes" answer, provide the details in the "Additional Information" section.
- Where additional space is required, use a separate sheet of paper, which must be signed and dated by the producer, proposed insured and owner, if different from the proposed insured.
- Premium payments cannot be made by the producer (unless the proposed insured is the producer or a dependent of the producer).
- If submitting an application through the POS process, refer to the POS Reference Guide on Foresters producer website for instructions.
