The benefit amount is the lesser of \$300,000 or 50% of the death benefit amount. A one-time administrative fee, the lesser of \$250 or maximum allowed by state law, will be deducted from the elected accelerated death benefit amount. For Terminal Condition the remainder will be paid in a lump sum and for confinement to a Nursing Home Facility the remainder will be paid monthly.

Optional riders are available for an additional cost and designed to allow you to customize your policy to fit your lifestyle and family needs. Read below to find the benefits that best suit you and your loved ones.

ACCIDENTAL DEATH BENEFIT RIDER

This rider provides an additional death benefit to your beneficiaries if death occurs due to a covered accident.

CHILDREN'S TERM RIDER

This rider provides term life insurance protection for your children, ages 15 days to 19 years, and remains in force for each child until the earlier of age 25 or marriage. At the end of the term period, the benefit may be converted to an eligible permanent life insurance policy for up to five times the original amount, regardless of their current health.
